## FLORIDA AVIATION HISTORICAL SOCIETY MEETS AT THE ST. PETERSBURG MUSEUM OF HISTORY TO WIPE DOWN THE BENOIST

After almost 18 months, the Florida Aviation Historical Society had a working meeting, October 2, to lower the Benoist plane at the St. Petersburg Museum of History and give it a good cleaning and dusting.

The pictures below reflect the many hands that turned out that day to help in this major project event. The next meeting of the Society will be Saturday, November 6 at 10:30 am at the St. Petersburg Museum of History. All are welcome to attend.
